#### **REMARKS**

Claims 1-22 are pending in the above-identified application.

The drawings have been objected to for several reasons listed in the Office Action. A separate Request for Approval of Drawing Changes accompanies this amendment and requests that Figures 5-8 be added to alleviate the problems cited in the Office Action.

The specification has been objected to for various informalities. The specification has been amended as suggested in the Office Action. In addition, the specification has been amended to add a recitation to FIGS. 5-8.

Claim 1 has been objected to for a minor informality. Claim 1 has been amended as suggested in the Office Action.

In view of the above, it is respectfully submitted that the application is now in condition for allowance. Prompt notice of same is earnestly solicited. If the Examiner

believes that a telephone interview may expedite the prosecution of the Application, the Examiner is invited to contact the below attorney at the indicated telephone number.

Respectfully submitted,
